Ms. Robbyn Wahby
Director
Missouri Charter School Public School Commission
2917 Milton Boulevard
St. Louis, MO 63104

Dear Ms. Wahby:

The State Board of Education met in its regularly scheduled session on October 27, 2015. At that time, the Citizens of the World—Kansas City charter school application was presented as approved by the Missouri Charter Public School Commission. The State Board of Education found the application in compliance with the law and has now authorized Citizens of the World to commence operations pursuant to the charter granted by the Missouri Charter Public School Commission for a period of five (5) years beginning in the 2016-17 school year.

We look forward to working with you as this school prepares to open for the 2016-17 school year. Your first renewal will occur in the fall of 2020.

Please feel free to contact me if you have any questions.

Sincerely,

Margie Vandeven
Commissioner of Education
