RE: RESCINDING INVITATION TO APPLY

Dear Ms. Asuquo,

Thank you for your interest in submitting an application to the Missouri Charter Public School Commission to open Gateway Global Academy of Geospatial Science & Technology in the St. Louis Public School District. The Commission extended an invitation to submit an application on October 21, 2020. On May 18, 2022, the Commission voted to rescind their invitation to apply, given the inactivity with your application.

We understand you are a group of dedicated volunteers. If at some point in the future your team determines it is ready to proceed, please know we are open to receiving a new Letter of Intent and Prospectus from your group.

We wish you success with your future endeavors.

Sincerely,

Robbyn G. Wahby
Executive Director
