Robbyn,

Thanks again for meeting with us and discussing a change in our charter. After careful consideration of our existing contract and other factors our board believes it is in the best interest of LFLA, the students and families to finish the contract under SEMO. During the remaining contract, we will continue to discuss the future direction of the charter.

Please accept this email that Lift For Life Academy will not move forward with the commission due to the existing 24 months remaining on the contract.

We have appreciated your time, help and feedback in helping students succeed.

Thank You
