RE: Invitation to Apply for Sponsorship Rescinded

Dear Asher:

Thank you for your interest in submitting an application to the Missouri Charter Public School Commission to open Ali Academy in the St. Louis Public School District.

The Commission discussed your pending application at its June meeting. The staff shared with the Commission our concern that we had not heard from you on when you would submit your final application. The lack of communication, the missing information in your initial submission and the lateness in the year informed the Commission's decision to rescind their invitation to submit an application for opening in FY22.

We wish you the very best in your future endeavors.

Sincerely,

Robbyn Wahby
Executive Director
