Dear Christopher:

Thank you for your interest in submitting an application to the Missouri Charter Public School Commission to open Imani Learning and Leadership Academy in the St. Louis Public School District. The Commission discussed your pending application at its August meeting. We shared with the Commission that our prior conversations did not produce an application. Therefore, the Commission voted to rescind their invitation to submit an application.

We understand you are group of dedicated volunteers. If at some point in the future your team determines it is ready to submit an application, please know we are open to receive a Letter of Intent and Prospectus from your group.

We wish you the very best in your future endeavors.

Sincerely,

Robbyn Wahby
Executive Director
