Dear Thalia:

Thank you for your interest in submitting an application to the Missouri Charter Public School Commission to open Monarch Collegiate Preparatory Academy in the Hickman Mills School District. The Commission discussed your pending application at its August meeting. We shared with the Commission that our prior conversations and adjustments to deadlines did not produce an application. Therefore, the Commission voted to rescind their invitation to submit an application.

We understand you are group of dedicated volunteers. If at some point in the future your team determines it is ready to submit an application, please know we are open to receive a Letter of Intent and Prospectus from your group.

We wish you the very best in your future endeavors.

Sincerely,

Robbyn Wahby  
Executive Director
