Date: Thursday, July 8, 2021 8:12:51 AM

Kevin,

I hope this email finds you well.

The Missouri Charter Public School Commission was evaluated by the Department of Elementary and Secondary Education for the period July 2017 to June 2020. Please find [MCPSC Management Letter 6.29.21.pdf \(open link\)](#) from the Department of Elementary and Secondary Education stating the Missouri Charter Public School Commission is in material compliance with the standards set forth in regulation 5 CSR 20-100.260: Standards for Charter Sponsorship. If you would like any of the detailed information that went into the evaluation, please do not hesitate to ask.

I believe this letter satisfies the reporting requirement to the Joint Commission on Education as required by RSMo 160.400.12.

I would be delighted to answer any questions you have or provide any additional information.

Have a great summer!

Robbyn
